International Seminar at Fez – challenges and opportunities

ACTIONS

International Seminar at Fez – goals reached

- **exchange of knowledge, policy and practice on all matters related to accessibility and mobility in urban and peri-urban areas**
- **New connections, new experiences, new friends to enrich our technical knowledge and our culture**
- **The unique atmosphere of Morocco and a sense of community that it's difficult to define with words**

International Seminar at Fez – some special thanks

- **The Ministry of Equipment and Water**
- *The permanent Moroccan Association of Road Congresses*
- *The Private University of Fez*
- *All our Moroccan friends... Mouhcine, Omar...*

- All the presenters and the moderators

- All the experts, colleagues and friends of our **2.1 Technical Committees**

See you soon!
